The competition rules in detail are as follows:

-WhatsApp group to be set up

- If the person in question does not have WhatsApp and can't be added to the group, the parent whose family member or friend it is, can choose for them.

Each week you must pick a PREMIER LEAGUE team to win their game and send to WhatsApp group. If your team wins you go forward to the following week. If your team loses or draws you are eliminated.

All selections must be posted by 9pm on Thursday for weekend fixtures. So try get them in early 🙌
Details for mid weeks fixtures will be announced that weekend in the group.

You must not select the same team twice throughout the competition.

If you fail to post for any reason, you will be given the first team alphabetically eg Arsenal. If you have already used Arsenal you will be given Aston Villa.

If you fail to post a second time you will be eliminated from the competition.

Once a selection is chosen it cannot be changed and no editing of posts are allowed.

In the event of any match being postponed or abandoned (after you made your selection) you will go through to the next round, but that team cannot be chosen again.

Should two or more participants remain standing, and all are eliminated in the same week, the 'Last Man Standing' prize will be divided equally between them.

A spreadsheet will be done out and will be updated after each week, to show which teams you have picked and how many are left etc.

Any issue not covered in the above competition rules please ask.
